New 2016 IRS Section 179 Tax Laws Make You More Money

(Yes,... You Read That Right!)

Businesses like yours can take a same year tax deduction for every dollar of equipment they buy or finance... up to \$500,000. Get our leading equipment solutions today and save up to 35% or more with the attractive tax savings now available with your qualifying Section 179 deduction.

2016 Section 179 Highlights

- The new business deduction allowance for Section 179 is now \$500,000 in qualifying equipment and software purchases.
- The deduction ceiling for the maximum amount of equipment/software that can be deducted is now at the \$2,000,000 level.
- A majority of new and used equipment, as well as some software, qualify for the program.
- 50% bonus depreciation is now available again which can dramatically add to potential equipment savings.
- Companies can still qualify for the tax savings benefits if they acquire the equipment utilizing lease or loan financing.
- Businesses that exceed purchases above \$2 million in qualifying equipment or software will need to have the Section 179 deduction phase-out dollar-for-dollar and then totally eliminated above a \$2.5 million threshold.
