**FOR IMMEDIATE RELEASE**

## **For the 4th Time, Navitas Credit Corp. Appears on the Inc. 5000 list, Ranking No. 2018 with Three-Year Sales Growth of 186%**

**Ponte Vedra, FL — August 23, 2017 — Inc. magazine** ranked Navitas Credit Corp. NO. 2018 on its 36th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies.

The list represents a unique look at the most successful companies within the American economy's most dynamic segment— its independent small and mid-sized businesses. Of the tens of thousands of companies that have applied to the Inc. 5000 over the years, only a fraction have made the list more than once. Only one in ten companies have made the list four times. Many of today's leading companies gained their first national exposure as honorees of the Inc. 5000.

Gary Shivers, President and CEO of Navitas adds, "Making the list for the fourth time is extremely rewarding. It demonstrates that by continuing to focus on our key strengths and evolving our products and services to meet our customer ever changing needs, we can achieve tremendous growth rates like we have been experiencing over the last several years. This great achievement would have never have been possible without the incredible commitment and dedication of our team, everyone in our company is an important part of this success."

The 2017 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of Inc. is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year average growth of 481%. The Inc. 5000's aggregate revenue is \$206 billion, and the companies on the list collectively generated 619,500 jobs over the past three years.

"The Inc. 5000 is the most persuasive evidence I know that the American Dream is still alive," says Inc. President and Editor-In-Chief Eric Schurenberg. "The founders and CEOs of the Inc. 5000 tell us they think determination, risk taking, and vision were the keys to their success, and I believe them."
