FOR IMMEDIATE RELEASE

NAVITAS CREDIT CORP. LAUNCHES MY NAVITAS MOBILE

Ponte Vedra, FL—September 20, 2016 —Navitas Credit Corp., a national commercial finance company is pleased to announce the release of My Navitas Mobile which enables customers to access and manage their accounts right from their smartphones. My Navitas Mobile is available on both the IOS and Android platforms. Customers can now use their mobile devices to view or update account information, pay bills, request support, and download their invoices.

Gary Shivers, President and CEO of Navitas stated, “We are extremely proud of our My Navitas Mobile offering. Investment in technology to improve the customer experience continues to be a high priority of the organization. This mobile support capability combined with our browser based customer service portal (www.my.navitascredit.com) provides our customers with a total support solution. We know our customers are busy trying to run their business, to find time to do even basic account management tasks are often a challenge. Now with our online and mobile support applications our customers have the freedom to manage their accounts with us whenever and wherever they want.”

My Navitas Mobile is part of a significant technology initiative currently underway at the company. The recent introductions of electronic signatures, new web based financing tools, and the desktop servicing portal has made access to products and services more convenient for the entire customer base. Navitas is currently in the development phase of creating an equipment vendor sales and support application utilizing next generation technologies that will offer a seamless interface with their origination channels. The first deployment is scheduled for early fourth quarter of this year.
