FOR IMMEDIATE RELEASE

NAVITAS CREDIT CORP. INTRODUCES NEW WEB QUOTING APP

Ponte Vedra, FL— September 7, 2017 —Navitas Credit Corp., a national commercial finance company, launched an advanced web quoting tool that will enhance equipment dealers and manufacturers ability to generate and deliver financing quotes to clients in highly customizable formats. The quoting app delivers a broad range of functionality including the ability to calculate payments for an unlimited number of plan types, an easy to use payment selection feature and an export option that enables users to import monthly payments directly into equipment pricing proposals.

Gary Shivers, President and CEO of Navitas adds, “Completing this app is just one more example of how we are continuing to develop technology solutions to improve the customer experience and reduce operating costs. This tool will seamlessly integrate into our partners’ origination platforms and improve their ability to offer financing options seamlessly.”

A competitive differentiator of the payment quoting app is the technology it is built on. The app utilizes next generation data delivery technologies, making it more responsive, providing the user with an enhanced navigation experience. By utilizing newly available architecture solutions, the app delivers a highly reliable product for customers. The app can be customized with customer branding and is easily integrated into web pages to provide partner prospects real time financing payment options.
