**FOR IMMEDIATE RELEASE**

## **NAVITAS CREDIT CORP. LAUNCHES NEW VENDOR PORTAL**

**Ponte Vedra, FL—January 31, 2017 —Navitas Credit Corp.**, a national commercial finance company, is pleased to announce the release of its newly re-engineered vendor portal. This latest version of the vendor portal will be marketed under the brand name “Navitas Connect” and supports the transactional origination needs of equipment dealers, manufacturers and distributors. Major functionality enhancements to the platform include a more robust application entry process, improved search capabilities and expanded payment quoting capabilities.

The architecture utilized on this build allows current and future versions to be highly configurable, providing the flexibility essential to customize functionality to meet the diverse needs of the customer base. The next release of the portal is already in development. Key deliverables in the second phase of the offering will include customizable security levels by user, real time credit approvals and enhanced quoting options.

Gary Shivers, President and CEO of Navitas states “Navitas Connect represents a significant upgrade to our web based sales origination capabilities. The new functionality will enable our customers to better manage the entire transaction process from submittal to funding. The technology choices we made in this latest build allows us to quickly deploy future releases in order to deliver value in a timely manner.”

The next release of the desktop version of Navitas Connect is scheduled for early February of 2017. Once this phase is completed, the development focus will move to building mobile and tablet versions of the platform.
